Members have worked feverishly to wrap up all our club's year-end projects.

Or, you maybe you saw

members buying baby gifts for our caterer's daughter's new twins who will now have a shower of new baby clothes and items given by you to help these tiny newborns.

## GFWC Florida Convention ... Tears, Smiles, Cheers

GFWC Florida Convention attendees were sad...and glad. Sad to see Linda Dennis end her term as president. Glad to see Teddy Hulse installed as new president for 2010-2012.

Then there were the cheers—for the many dollars given to the charities of GFWC Florida clubs.

Heifer International, President's Project of Immediate Past President Linda Dennis received over \$300,000 during the past two years.

Other charities receiving donations included Hacienda Girls Ranch.

Club members who represented GFWC Lake Mary Woman's Club at convention were Gwen

Allen, Jean Brown, Ronnie Capalino, Lynn Cline, Kathy Harris, Lou Meyer, Margaret Schwalie and Sue Warren.

In the Arts and Crafts Show, Lynn Cline won a second place ribbon for her craft.

Lynn Cline, one of the Artful Bra originators and coordinators for GFWC Florida, won second place for her colorful floral bra.

Several of the over 200 Artful Bras displayed will tour Florida hospitals to raise awareness of breast cancer and its effects and then will be auctioned off in a Gala Event.

Members from our club who assisted in setting up and helping with a raffle during the Artful Bra display and competition were Jean Brown, Lou Meyer and Sue Warren.

Kudos to Lynn for helping to initiate this event and all her effort and to all who helped to raise awareness and funds for mammograms

and Breast Cancer.

Our attendees went to workshops and shared ideas with other clubs' members.

Teddy Hulse, new president of FFWC is going green with the organization and begins with a web-based Florida Clubwoman publication.
